

To the *thawte* notary: The *thawte* Web of Trust is a global attempt to assure Internet user identities through personal verification of national identity documents. The applicant asks you to certify to *thawte* that you have met face-to-face with the applicant and verified the name of the applicant against two separate, original trusted photo-identity documents. If you have ANY doubts or concerns about the identity of the applicant, then please DO NOT COMPLETE this form. For more information about *thawte* Web of Trust, including detailed guides for *thawte* notaries, please visit <http://www.thawte.com/wot/index.html>
